Sir,

Subject - Vaccination allowance to the Sanitary Inspector in Birur Municipality

I have the honour to state that at the time of the inspection of the Municipal Office, Birur on 20-12-1946 by the Deputy Commissioner, it was found that an allowance of Rs 5/- per mensem was being paid to the Sanitary Inspector for attending to the vaccination work and that this allowance, which was being paid from August 1945, was not covered by proper sanction. A report was called for from the President, Town Municipal Council, Birur as to why this payment was made without obtaining competent sanction. The President reports that provision had been made in the budgets for this payment during 1945-46 and 1946-47 and that as the budgets were sanctioned by Government, the allowance was paid. It is reported that this allowance is still being paid.

In this connection, I am to observe that though the budgets were sanctioned by Government, specific sanction should have been obtained by the President for payment of this allowance. It is also reported that there is no separate vaccinator in the Municipality and the number of cases vaccinated by the Sanitary Inspector during 1945-46 and 1946-47 were 389 and 435 respectively. The Municipal Council have passed a resolution on 30-3-47 ratifying the payments previously made and requesting sanction for payment in future.

I thereforre request you kindly to obtain sanction of Government for this resolution and communicate early. The
